***A Gift Use Agreement ("GUA")** between you and the Foundation/University, that includes specifics on how your gift will be used. You may amend it as often as you like without the necessity of amending your Will or Revocable Living Trust.

If your estate includes payment from IRAs, qualified retirement plan assets, savings bonds or installment contracts (so-called "IRD assets," consult your attorney for language to best accomplish your goals. You also may wish to discuss with your attorney any advisable coordination between beneficiary designations and your Will or Revocable Living Trust (e.g., see suggested language below).

Sample Will or Revocable Living Trust language to protect against erosion of retirement plan/IRA gifts due to required minimum distribution rules and investment value declines: I have designated the University of Foundation, Inc. (UI Foundation) as a beneficiary of my qualified retirement plan or individual retirement account to receive a gift of not less than \$ _____ (Minimum Gift Amount). In the event the actual gift amount from this beneficiary designation does not equal or exceed the Minimum Gift Amount, I make a specific bequest in an amount equal to the difference between the Minimum Gift Amount and the actual gift amount to the UI Foundation. For purposes of this gift, a beneficiary designation naming the University of Idaho shall be treated the same as one naming the UI Foundation.
